

Vicious circle

If I keep looking
As I always have looked
I keep thinking
As I always thought.

If I keep thinking
As I always thought
I continue to believe
As I always believed.

If I continue to believe
As I always believed,
I continue to do
As I've always done.

If I keep doing
As I've always done
Everything will happen to me
Like it always did.

But if I close my eyes
And feel my true self inside
Then I'll come out of the circle
And I can always start again.
