

## Things to see/do around The Pavana Chiang Mai Resort

Dear guests,

A lot of times visitors of our nice place ask me what kind of things there are to do around The Pavana Chiang Mai Resort.

Please feel free to ask the Guest Relations officer, or the Sawadee Reception. The Pavana has a couple of trips they offer you.

A couple of times a week the resort offers you, as a hotel guest of the resort, a free shuttle to Chiang Mai City (Tha Phae gate / Starbucks) and back to the resort again.

Complementary village-walk is available (check the activity schedule in your room or on the announcement board at the Detox center and Sala Cloud Nr. 9 (the big meditation & yoga Sala).

Bike rides, Hike and evening Campfire are available (the resort charge you only a very small amount of money) on a weekly base.

If you want to go by yourself think about the idea to rent a scooter (incl. helmet(s)) at The Pavana Chiang Mai Resort.

There are much more things to see and/or do than you probably expect. The Pavana Chiang Mai Resort is located in a wonderful natural flora and fauna.

Find some information of things I collected doing myself by scooter.  
Feel free if you have any questions.

Enjoy your stay.

Several natural elephant camps in the surroundings of Mae Taeng (about 40 minutes from here) better than Mae Sa elephant camp nearby (in my opinion).
